WORK EXPERIENCE

Current

MOTION GRAPHIC & WEB DESIGNER

evokeu / Graphic Kitchen

Starting off in a work experience placement, I worked on projects in web development, graphic design and animation. After exceeding the organisation's expectations I was offered a permanent role where I learned more about social media marketing, website coding, and became proficient in the use of CMS systems including Webflow, Wordpress, Shopify and more.

2019

WORK EXPERIENCE

BrightTALK Studios

3 day work experience placement during which I got an insight into video production and motion graphics. I also shadowed and learnt how to use a livestream video switcher and carry out audio checks.

2014 -2019

CUSTOMER SERVICE ADVISOR / ADMIN

West Harrow Garage / Customwerks Distribution

I worked as a customer service adviser for the garage business and was also involved in marketing projects such as designing flyers and email posters. As part of the subsidiary business I assisted in video production and content creation for the company's YouTube channel for product reviews and demonstrations.
